

HELPING YOU MAKE THE RIGHT CHOICE

SIPP SPOTLIGHT

Act now and benefit from the new pension legislation!

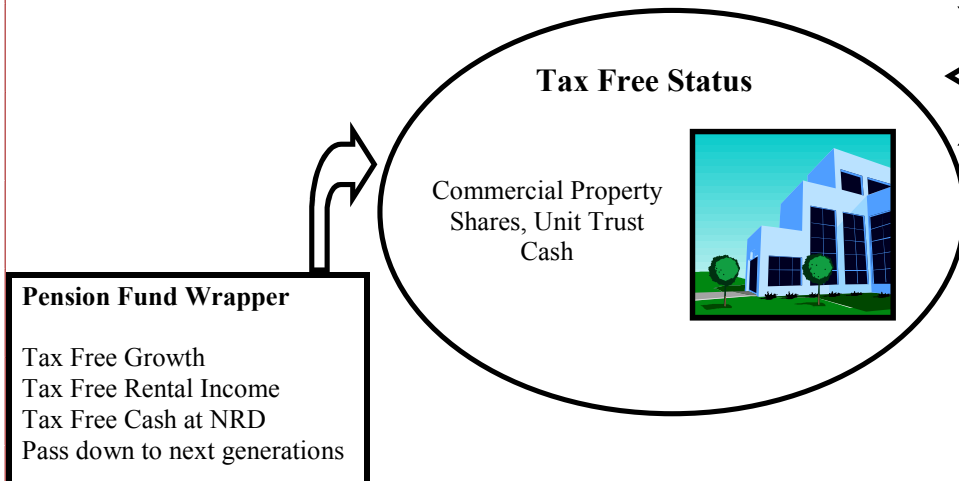

Some pension benefits of SIPPs:

- Pension legislation allows commercial properties to be bought by pension funds, thus giving tax free status on the disposal on any gains and rental income
- Rental income is free from any tax
- Clients can build a commercial property portfolio with their own
- Private pension fund money
- Tax relief still available up to 40% on pension contributions
- Tax free cash sum available anytime between 55 to 75
- Wider range of investment opportunities for clients to invest
- No longer compulsory to purchase annuity
- Can pass pension funds assets down to the next generation
- New Self Invested Personal Pensions (SIPPs) available now

We Offer Free Transfer Analysis Reports available where required

This is the current understanding of legislation which may vary.
